### **Instructions for Filling Out the Classification of Quality Levels Form (ANL-743)**

- 1 Insert the identification number for this report.
- 2 Identify the organization that owns the item, SSC, or the activity, and assign a page number.
- 3 Identify the location and/or area in which the item, SSC, or activity resides.
- 4 Identify the item, SSC, or activity that is being classified.
- 5 Put a check mark next to the proposed quality level (QL). If there is a change in QL, insert the previous QL.
- 6 State in detail the proposed change of the QL.
- 7 State in detail the reason for the change in the QL.
- 8 List the name and affix the signature of the technical person making the classification.
- 9 List the name and affix the signature of the QAR who reviewed the classification.
